AGENDA: - Guest Speaker

"Going for gold!" - Julia Rackowe

Julia is the driving force behind
Bury in Bloom. Despite what most
people think, Bury in Bloom is not part of the
council; it is a community initiative,
run by the Bury Society.

Julia will tell us how harnessing the
community spirit in Eastgate Ward has
helped Bury St Edmunds win a Gold in this
year's Anglia in Bloom competition.

She will also talk about how setting up an
"It's Your Neighbourhood" group can improve
your local environment.
