New Committee Members Welcome

Become part of YOUR Community

Are there community issues affecting **YOUR** area where the Eastgate Ward Community Association can help?

We are looking for local people to join the EWCA to represent their areas.

Examples of Past Successes:

Sign on Eastgate Street	Yellow Lines On Barwell Road
Zebra Crossing on Mustow Street	Improved drainage in Eastgate Street
Gas pipe replacement Ram Meadow	Eastgate Weir dredged and monitored

Please come to the Open Meeting and let us know your views or if you are willing to join the committee. We are a friendly bunch and meet 6 times a year and welcome any like-minded people willing to get involved in their local community.

AGENDA:

Guest Speakers

**Managing success:
Can Bury grow without being ruined?**

Tim Page
Chairman Bury Society

The Lark Ascending
Andrew Hinchley
Bury Water Meadows Group

Taking a title from a well-known poem and piece of music, this talk will show how many new initiatives are helping to move the Lark, its meadows and riverbanks upwards from the "poor" rating it has had amongst all East Anglian rivers. Alongside the work of the Bury Water Meadows Group, where 40 volunteers have helped out on the river in Bury in recent months, a new community-based "Partnership" for the whole Lark has been established and is now swinging into action.

- **Chairman's Report**
- **Treasurers Report**
- **Election of Officers**
